WE HAVE BEEN ON A JOURNEY OF THE SOUL...  
WITH SOPHIA AS OUR GUIDE...

## *Going Deeper...*

Throughout this journey we have had as our guide, ***the Soul of the World...the Divine Sophia.***

***Her Story*** – She was a big Creator Spirit, an Aeon. These are great spiritual forces, emanating directly from Source, that live in the Pleroma, deep in the black hole, the heart of our Galaxy.

She emerged from the Pleroma as a river of light who expanded out into the 2 arms of chaos of the galaxy. From there she dreamed the dream of the Anthropos – humans and she fell in love with her dream. So, she left the safety of the Pleroma and expanded herself out into the galaxy and solidified herself into this planet. This planet is her physical body, and her spirit is the organic white light which we can communicate with through Ceremony.

Connecting with Her in this way actually activates codes in our DNA that have become dormant from lack of use. By coming into contact with Her on a regular basis we establish communication with Her these pathways are re-activated. It heals us and it heals Her. She will be journeying with you tonight!

As we come to the end of this leg of the journey,

- What have you learned?
- What are some insights you have gained about yourself?
- How has it changed you and the way you see yourself in the world?
- How has it changed the way you see the world?

**By allowing these frequencies to be fully birthed through us, we allow HER to be birthed onto our planet anew.**
