My Invisible Garment

My main purpose is to live (SUN). (MOON) is my primary support in the project called "life." (ASCENDANT, MERCURY, VENUS AND MARS) create the personality through which I can best express SUN. (JUPITER, SATURN, URANUS, NEPTUNE, and PLUTO) are my cosmic silent partners in this venture. And it is on behalf of (MID-HEAVEN) that I deliver my blessing into form.
